Remember me in Your Kingdom

Prayer of the Community

Father Creator, Lord of history and life,
We thank you for the grace of life.
Teach us to perceive its mystery and its meaning.
You have offered it to us as a deposit,
Give us to live it under your watchful eye.
You have put deep in our hearts desires
and wishes of happiness.
Help us fulfill them by beholding the magnificence
of you Holy face,
and by seeing you in anticipation through a life of faith,
hope and love.

Redeemer Son and Savior, Jesus Christ

All hope is in you.
You who vanquished death by death,
All salvation is in you.
You who said: “He who believes in me will never die”
You are the source of every life.
Teach us to believe that death serves life,
and is a passage to the right of the Father and communion
with the Saints, in the glorification of God,
so that we may love you, away from limits of time and space.

Oh Risen from the dead, look at our faith and deeds,
May the lights of your mercy shine unto us.
Let us deserve to behold your face in glory, so that every
one of us may repeat: “Remember me in Your Kingdom”.

Consoling Spirit

Attend the sick and the terminally ill, at the time of their crossing.
Comfort those who are grieving,
strengthen their faith at the fearful hour of their death.
Revive their hope so that they may witness to your Resurrection.
Let your providence clear away their difficulties.
May your tender mercy console our dead,
So that they do not reach the sad end,
The reality of eternal death.
Grant them, with our offerings, our prayers,
and our works of mercy, to purify and sanctify themselves,
so that they may savor the entrance in the joy of your Kingdom.

Blessed Virgin, mother of life and the gate of heaven

Pray for us now and at the hour of our death.
Teach us, Holy Mary, to pray with the Church in solid faith
“We look for the resurrection of the dead and the life of
the world to come”.

Amen.
